The Court has reviewed the parties' submissions and will hold oral argument on Defendant's motion to dismiss on February 21, 2025 at 2:00 p.m. The Court expects the parties to prepare to discuss the appropriate rule of decision that lower courts should follow when an SEC filing is ambiguous as to whether or not it effectively registered a particular security. The conference will be conducted by telephone. The parties are directed to the Court's Individual Rules of Practice in Civil Cases, which are available on the Court's website. Rule 2 of the Court's Individual Rules contains

the dial-in number for the conference and other relevant instructions. The parties are specifically directed to comply with Rule 2(C) of the Court's Individual Rules.
